

# HONOR OUR CONSTITUTION

*Fourth Amendment to the U.S. Constitution:*

The right of the people to be secure in their persons, houses, papers, and effects, against unreasonable searches and seizures, shall not be violated, and no Warrants shall issue, but upon probable cause, supported by Oath or affirmation, and particularly describing the place to be searched, and the persons or things to be seized.

A flawed FISA bill is about to be passed: “telecom immunity” says it’s OK that George W. Bush and the phone companies have been illegally spying on millions of US citizens, and will take away our right to sue the companies for illegally tapping our calls.

Don't let illegal wire-tappers off the hook - defend the Fourth Amendment! Call your Senators and Barack Obama and ask that they get FISA right and vote against the current FISA bill this Tuesday, July 8th.

Senator Barack Obama: (202) 224-2854

Senator Dianne Feinstein: (202) 224-3841

*Senator Barbara Boxer respects our privacy!*

To thank her, call: (202) 224-3553
